

RELATIVELY SPEAKING

February Edition

CARE PACKAGE DELIVERY

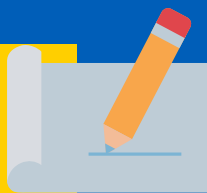

There is no better way to connect with your Eagle than by sending them an MSU Care Package from the Student Alumni Association (SAA)! Each care package is carefully filled with treats and resources to ensure your students success!

You can order your Eagle a MSU Care Package at <https://www.moreheadstate.edu/Student-Affairs/Families/Care-Packages>

TIP OF THE MONTH

Take some time this month to share a mistake or unexpected situation that you overcame when you were in your 20s with your student. This can be a powerful lesson and help your student learn as they navigate young adulthood.

TAX TIME

The 2020 1098-T Tax Forms are now available for online viewing and/or printing via Self-Service for students who consented to receive their 1098-T Tax Form electronically. If you did not give consent to receive the form electronically, it will be mailed. This form is used to determine if you are eligible for an Education Tax Credit when you file your tax return.

STAYING HEALTHY AT MSU

To maintain a safe and healthy environment for your Eagle we are taking all the precautions necessary which include, but are not limited to:

- Cloth masks will be worn at all times when inside a campus building, and outside when 6 feet social distancing can't be maintained.
- 6 feet will be maintained at all times in all campus buildings to practice social distancing.
- All buildings will be cleaned regularly.
